## Officer Announcements

### Chair

- Primaries are coming up next Tuesday, but be careful to pull an issues-only ballot, rather than one for either party. If you pull a Democrat or Republican ballot, the state of Ohio will show you as being registered with that party. This will also prevent you from being an officer in our party for some period of time. I've checked my ballot and found that I do have an issues-only option, and I'll show up to vote against a tax levy.
  - HB51, Second Amendment Protection Act, seems to be a fool's errand with the current GOP running the state. As Chris Dorr of OGO (Ohio Gun Owners, who are a pretty solid organization with respect to gun rights) put it "...this House Republican leadership has totally
-

totally stabbed gun owners in the back, they've gone back on their word, they've broken their promises, and they blocked SAPA from getting to the House floor..." Anytime somebody wants to tell you how they'll only vote Republican, remind them of how GOP leadership is treating them, as well as how it was THEIR guy who locked down Ohio, set curfews, pushed masks and did anything he could to force injections just a couple years ago. AND how only a few of their guys had the cojones to actually start an effort to impeach him.

**"...you can contact your State Rep for SAPA [right here](#), or by going to [www.OhioSAPALaw.com](http://www.OhioSAPALaw.com)."**

- Our #1 effort, in my mind is to build up this affiliate and make our way toward critical mass. Please let your friends, family, and anybody like-minded know that we are here, we are the ones who are truly for liberty, and we need their help.

## Treasurer

- Our current balance is \$870.61.
